VOLUME 5, NUMBER 41

Tournament Play:

Or Will Lucy Taylor Ever Retire Her Paddle?
Venice, CA.....

How does she do it? Lucy Taylor takes second in the Women's Doubles. A Division first in the Mixed Doubles. A Division and she just keeps plugging along! We must confess, we're under the strictest secrecy regarding Lucy Taylor's age but let's just say she got her first issue of AARP a long time ago! That doesn't seem to faze this tireless player though. She can stay on court longer and keep in points better than most 20 year olds. If she's found the fountain of youth, she ain't saying! Congratulations Lucy!

(Ed. Note: We hope you are around forever!! For both your good sportsmanship & your play!)

◆ We also want to applaud **Scott Freedman** on winning the 1996 Open Men's Singles Title.

See Inserts for Winners of Men/Women & Easter Bunny Mixed Doubles, Culver City Open & Venice Singles.

◆ **SPONSOR NEWS**
We would like to formally welcome our new sponsor:
SENSA BEVERAGES.
These new drinks are juice based and the "diet" ones have no fat or calories! They also include a natural herb--Guarana--which provides a natural "lift". Try one of these at the June 29 mixer/round robin at the California Yacht Club!

NEW PADDLES

The gotten a few calls about the Wilson and Top Force Paddles that are new on the market--

Please note:
When the Prince Paddle (no longer manufactured), was approved in 1993, the dimensions of the paddles were changed to be one inch longer & wider.

The Wilson & Top Force Paddles are the same size as the Prince Paddle and are therefore automatically approved for tournament play (as well as any other play!). If you have any other questions, however, please call me at 510-826-3240 (there are no rules on the thickness of the paddle).

Mixed Doubles Mixer

Marina del Rey...
Fourteen teams look part in a member/guest round robin pot luck at the California Yacht Club on June 27--where!

There were two sets of seven teams each and Heinz Dallman/Barbara Schoichet took first place in their "flight" with James Adkins/Lois Bailey taking first in the other "flight". The two second place teams were Maher Hanna & Marjorie Mitchell and Larry Stein & Margie Beach;

third places went to Steve Heller & Nancy Schetter with Jackie Stein & newcomer Tod Burnett taking 5th in the other division.

Everyone had a great time with recognition galore--the winners received a can of new Penn Championship balls except for third place. The men got blue blowing bubbles and the women

glow pink!

PLEASE NOTE:

The next mixer will be at the Cal Yacht Club June 29, from 2-6 PM.

Reflections

by Erin Hemenway
US Paddle Tennis Board of Directors
Director, Southern California Paddle Tennis.
Director & Co-Founder, Women's Paddle Tennis Association of Southern California

Our PT committees had an absolutely fabulous meeting the other night--it never ceases to amaze me what the collective excitement and energy of a committed group of people can do:

- ◆ Dream & format a plan of action.
- ◆ Agree to try one more time, against big odds, to try and promote and market probably the greatest sport anyone will ever play!

Some of the decisions that came out of this meeting:

- ◆ Daryl Lemon has volunteered to take over as President of the National Organization.

In this position, he will liaison with other regions, work with the rules chair to get the rules printed and distributed, create an organizational mission & plan for the next two years, and promote paddle tennis in every way possible.

- ◆ Phil Ender is taking over as Treasurer for the National Umbrella Association as well as Southern California.

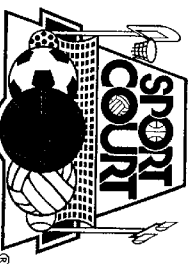

The National Organization will work with each region offering whatever services it can. The National Organization will also do a rules printing and distribute copies to each Tournament Director.

Each region can organize (or not) any way in which it chooses.

NEXT MEETING:
JULY 10, 6:30 PM
at Calver City Park & Rec.

RUDOS to PHIL ENDER

I want to personally thank Phil for all the time and attention he has put in on paddle tennis in the past few months. He's been at every meeting and he always has his reports and statistics ready. Thanks Phil-- We couldn't do without you!
