Not when it's combined with **EXTREME** paddle tennis!! Fifty teams competed in men/women's doubles the weekend of Oct 12-13 with some (always) expected winners and some surprises. Sol Hauptman/Scott Freedman took the gold medal for the zillionth time in the **Men's Open** Division with Ken Linder and Daryl Lemmon taking the silver. In third place with the bronze, were Mark Riftenbark/Steve Magit. In the **Women's Open** Division, Ingrid Fields & Jamie Murphy won the gold medal. Denise Yogi/Warri

Lovrich the silver and Sonia Lucci/ Marie-France Tailion took the bronze. **Johnny Ventura** and his company **Platinum Sound**, did a beautiful job of taping matches, taking interviews and Johnny himself, called the finals--a wonderful professional touch! If you haven't had a chance to catch Johnny's work, have your company, association, etc. hire him for your next event--he's fantastic! In the **Women's A** Division, Lucy Taylor with her gazillionth partner, Carrie Holmes took the gold (can't on page 2)

In some very hard fought matches, Newcomers (from Bel-Air Bay Club) Val Spaak and Sharon Browning won the Silver medals with Bonnie Mahler/Nancy Jackson taking the Bronze medals.

The **A Men's** Division was won by Danny Conn/Steve Hosohama with Elliot Teran/Chris Lockett taking the Silver medals. (2nd) and Mike Muironey/Greg Smith winning the Bronze medals (3rd) in this division.

Dolly Breter/ Elsa Pirola took the gold medals in the **Women's B** Division. Kay Boles/Catherine Leonard were second (silver) with Courtney White/Jo Ann Ekblad taking the bronze.

On the Mixed Doubles weekend (October 19-20): Ingrid Fields/Scott Freedman repeated as National Open Division Champions. Jamie & Todd Murphy took the silver medals and Denise Yogi/Russ Garver took the bronze.

In the **A Division**, South Enders Myra Miyasoto and Seth Jacobs won the golds, Jim Allison/Sharon Browning took the silver with Debi Loober/Bill Hanley taking the bronze. In the very competitive

B/C Division, Marion Tumen/Jesse Olivares were 1st (gold), Dolly Breter/Steve Thiras were second (silver) and Carrie Cimino/Rich Allen were third (bronze). Gail Jennings/Heinz Dallman were fourth, Kay Boles/Juan Pirola were fifth and Kristin/Gary Campbell were sixth.

Juniors Travis Pratt and Zeke Goldbaum were gold medal winners with Jason Tepper/Billy Conn taking silver. We think a marvelous time was had by all!

PADDLE TENNIS HALL of FAME
 by Phil Ender,
 US Paddle Tennis Board of Director & Treasurer
 We now have a distinguished list of nominees for the Paddle Tennis Hall of Fame: Frank Beal, Alan Call, Henry Conner, Henry Durham, Murray Geller, Sol Hauptman, Luise Lubber, Hilary Margolin, Norm Marshank, Grady Query, James Porter and Lucy Taylor. I don't have a dossier for any of the nominees except for Murray Geller. What I need is 2-4 pages that give basic demographic information (date and place of birth, when the nominee began playing paddle tennis) and a list of accomplishments in tournament play and/or service to or promotion of Paddle Tennis.
